For startups 50% OFF

Private Software Development Companies that have been in business for 3 years or less, qualify for a 50% discount off of commercial licenses for IntelliJ IDEA Ultimate and all other JetBrains products. The discount is valid for up to 10 licenses per product.

For education and training FREE

Classroom licenses allow for use of the fully-functional version of IntelliJ IDEA Ultimate for educational and teaching purposes in classrooms by professors, trainers, and students.

For students and teachers FREE

Students and teaching staff members are eligible to use all JetBrains tools for free upon verification based on domain or ISIC card.

For Open Source projects FREE

Non-commercial Open Source projects can qualify for free licenses to IntelliJ IDEA Ultimate and other JetBrains tools provided that they meet a set of simple criteria.

Student graduation discount 25% OFF

JetBrains is happy to compliment student license holders on their graduation by providing a 25% Graduation discount, which can be used toward the purchase of a new personal subscription for any single JetBrains product or for the All Products pack.

For competitive tools users 25% OFF

Owners of other commercial tools competitive to IntelliJ IDEA Ultimate qualify for a 25% OFF towards standard commercial or personal subscription for IntelliJ IDEA Ultimate.

For Java Champions FREE

Active Java Champions are eligible to receive a complimentary license of IntelliJ IDEA Ultimate upon verification of their profile.
